A Night with St. Nick

By Adam K. Nelson

Consumer Copy

Jimmy is a ten-year-old boy who has grown up too fast. None of his friends believe in Santa, and it is no longer cool for him to believe either. Even though Jimmy saw Santa one Christmas when he was young, he still refuses to accept him. In an effort to restore some of Jimmy's faith, Santa Claus orchestrates a special night that will not easily be forgotten. He answers some of the big questions that Jimmy has about how Santa works, but, most important, Jimmy learns the true meaning of Christmas. Will Jimmy be able to believe after A Night with St. Nick?
